WE PREVIEW DYLAN'S AND THE FIRE STATION, AND WHAT THE CHUFF IS RAG!?

## YOUR SUBU IS HERE

Hey Everyone,

I can't believe it's almost November, how time flies when you're having fun!

I hope you're all having a great time here at BU and are happy with what SUBU does for you. I'm sure you know by now about the great ways to get involved like our Clubs and Societies (there are now a massive 48 of them!), Nerve Media and also volunteering through [www.the-hub.org.uk](http://www.the-hub.org.uk)

Over the next two weeks  YOUR SUBU is in full swing! The Big Student Meeting held on 20th October is a platform for all of you to feedback your hopes, dreams and issues about your University experience.

In addition to that, on the 23rd and 24th October students will be campaigning in the By-Elections from dusk till dawn, to be on the SUBU Executive Committee 08/09.

HANDS UP IF YOU WERE AT TOFS LAST NIGHT

The SUBU Executive Committee has had 2 meetings this term so far, discussing various issues such as the use of Bluetooth on Campus and what we can do to increase involvement across all campuses. We'd love to hear your thoughts on this so please email me on [suvpcomms@bournemouth.ac.uk](mailto:suvpcomms@bournemouth.ac.uk).

I also want to say a big hello to all BU students at AECC, it would be great to hear from you and what you guys are doing at your college so please send any of your photos and comments my way.

Thank you to everyone for your involvement with SUBU so far, lets keep it up!

PS Just a quick note to remind all students that the SUBU shop sells heavily subsidised (by the University) Squire Urban Protector D-locks (worth £35) for a snip at £9.99. If you do cycle to Uni please be advised to purchase one of these to prevent any theft of bikes. We have had a few incidents on campus and are encouraging everyone to be vigilant.

## What is RAG?

We're guessing it's a question you've asked at least once since you've got to university! Raising and Giving (RAG) is a fun and interactive way of charity fundraising that's part of SUBU.

There are loads of things we do – events on and off campus, street collections and selling stuff anywhere! Walk away with more than a degree, organise an event, try something new, shake a tin or join in the socials – anyone can do it, especially you! Check out our charities:

- The Butterfly Appeal for

About Face – provide support and care for people with face and neck cancer.

- The Honeypot Charity – provide respite care and enhance the lives of vulnerable children and young carers.
- Round Table Children's Wish – grant wishes to children suffering from terminal illnesses.
- Streetwise Safety Centre – life-size scenes to help teach children road safety and help the emergency services train.

We fundraise for these four charities mainly, but also get involved in Children in Need, Comic Relief and

work with national charities including Breakthrough Breast Cancer, Meningitis Research Foundation and the MS Society. So join the Bournemouth Raggies today and run yourself RAGged (not literally, we're not mean people!). Pop along to our Volunteer Briefings on Tuesday nights, 7pm in the Loft to find out yourself.

We look forward to chatting with you!

The RAG Committee: Terri H, Chris, Richard, Laura, Hannah, Terri B and RAG Dog x

Why not check out 'Something for the Weekend' this Saturday 25th and next, Saturday 1st, when the entertainments team will be hosting a night of karaoke and cheese classics and a Halloween Special!

For more information on 'Something for the Weekend' nights or to be part of the Ent's crew contact us via the Facebook group 'Ents Crew 08-09'. Or visit our website: [www.subu.org.uk/sftw](http://www.subu.org.uk/sftw)

Just a few of the amazing and successful nights hosted by the Dylan's entertainments crew.

Being part of Dylan's Ent's Crew is a fun and exciting way to meet new people and be part of an amazing team. We are always looking for people to host, plan, and advertise for the events. This is a great opportunity for people to come up with their own Something for the Weekend night, all ideas welcome. Volunteers can do as little or as much as they like!

**H**undreds of students have embraced university life at Dylan's Bar enjoying the party atmosphere and meeting loads of people for the start of the new year thanks to Dylan's Ent's crew are responsible for 'Something for the Weekend' nights, hosting the night, planning games and generally making Dylan's a lively and fun place to go for an amazing night out.

Sumo wrestling, casino nights, stock markets, traffic light parties and Bedlam are

If all of that isn't enough, Propaganda is back on every Monday from SUBU's Front Door.

Also at The Old Firestation this term we've got special guests such as world renowned boxer Rahzel. He's already wowed the crowds at SUBU's Summerball and is definitely an act not to be missed. Check him out on Saturday 25th October. On October 29th we've got the multi-talented electro/indie/rap act Dan le Sac vs Scroobious Pip.

Halloween night (31st October) sees Lollipop take on a more sinister look. The Old Firestation will be decked out in eerie attire and spooky fancy dress is a must!
