

Bournemouth University Snow Riders

The aim of BU Snow Riders is to gather together like-minded skiers and snowboarders that enjoy group trips to snowy destinations. It's a chance to meet new people and experience a ski trip like you've never been on before. We run two trips to the Alps one at Christmas and one at Easter and accommodate every ability from absolute beginners to seasoned pros!

Social Events:

To impatient to wait for Christmas we typically run 2-3 socials a term, the first being a meet and greet "freshers" event held in early October where new recruits are welcomed and introduced to the social side of Snow Riders, these parties are not to be missed! As well as Bournemouth socials we also have a presence at Freeze festival, The London Ski & Snowboard Show and compete in national events such as the British Indoor Championships and BUDS.

The Trips:

The base price of this year's Christmas trip to Val D'Isere is £379 which includes travel, accommodation, lift pass, and insurance. Optional extras include ski or board hire, lessons, mountain meal, lift pass upgrade and insurance upgrade. Whilst in resort there's more to do than just ski – we organize themed fancy dress nights, freestyle competitions, BBQs, Races and Toboggan rides. Full details of the trips will be released early October.

Snow riders also sell society branded clothing with all profits going back into the club to pay for competition prizes. The committee does also recognize that skiing and snowboarding is not the cheapest hobby so have managed to arrange discounts on clothing and ski gear.

BU Snow Riders is the only skiing and snowboarding society at Bournemouth University. We are run by an experienced committee of seven – Ian Sansom (President), Chris Pearce (Vice President), Guy Habgood (Social Secretary), Alex Finlayson (Photographer), George Messa (Videographer), Tom Liniker (Web and Communications) and Josh Parker (Design and Apparel)
