

RISK RATING ACTIVITIES

The Activity

For the purpose of this workshop, your activity is 'Running a Society Trip to Cheddar Gorge'

Task 1: Identify the Hazards

List some of the possible hazards present in this activity

Task 2: Who might be harmed and how?

List the possible groups who could be affected by this hazard, what would the impact on them be?

Task 3: Pick one of your Hazards and identify what already exists to control that risk

Consider the three categories of control measures

Task 4: Risk Rate the Hazard

What is the Likelihood of this incident occurring? _____

What is the severity of the harm? _____

Task 5: What is your risk rating? _____

Likelihood Rating

5	5	10	15	20	25
4	4	8	12	16	20
3	3	6	9	12	15
2	2	4	6	8	10
1	1	2	3	4	5
X	1	2	3	4	5

Severity/Consequence Rating

Task 6: What else do you need to do?

What additional controls can you implement to reduce the risk

Task 7: Has your Risk Rating changed?

What is the likelihood? _____

What is the severity? _____

Task 8: Submit it through BU Risk!
