Proposed Club/ Society Name	Proposed Membership
Central Eastern European Society (CEES)	£1
<b>Main Proposed Activities</b>	
Foster a sense of community. We primarily want to create a safe space where Central and Eastern European students can meet other fellow students, share their experiences and ultimately connect with people from similar backgrounds.	
Reach out to other people outside of the culture. We are all about community, equality and tolerance. We stand with an apolitical point of view. Since this is a cultural society, we would love to connect and network with other societies for crosscultural exchange. Perhaps even collaborate on mutual events and represent our culture at international events.	
Provide support for new students. We understand how hard it can be to move to another country, speak another language and how hard it is to meet new people. We understand the feeling of being lonely and want to make the students' university experience this much better and pleasant during these confusing times.	
<b>Accepted/ Declined &amp; Comments</b>	
Accepted.	
The Awarding Committee are pleased to accept this new society and look forward to see this community of students grow. Thank you for providing a detailed and well thought out application.
