## SUBU Lansdowne and how we can help

Firstly, it is great you have discovered the benefits of helping run a SU club, society, or academic society. The Students' Union staff based at the Lansdowne site are here to help and support your activities, events and campaigns in any way we can and below are some useful pointers which we hope will help in your exciting year ahead

### **The staff have an office in Studland House – SG02**

Sophie Nott and Ally Hanks share the role of the SU Lansdowne manager and one of them will always pick up any questions or queries you may have

### **PLUS....**

- We can inform you where you can display posters physically around the Lansdowne
- You can join our [Facebook group](#)
- You can run sign up events with us
- You can advertise to BUINTCOL (BU International College), also known as Kaplan College
- We can help you reach out to our students in other localities where they have their study base. Portsmouth and Yeovil are the two main areas.
- We can help promote your group at open days at the Lansdowne
- When we move to the Bournemouth Gateway Building, we will encourage and support you to promote yourselves! We will help of course!
- A great opportunity to get yourself noticed would be to feature your group holding an event at the Lansdowne on your Instagram page!
- We would also like to run a feature on your club/society at the Lansdowne with support from our fab comms team.

**We wish you a happy year of friendship, discovery, fulfillment and plenty of opportunities to do something different!**
