Trustee Board Update

STUDENT MEMBERS' MEETING

Update since last Meeting (May 2023)

- A delayed financial audit for the 2021/22 accounts has been completed and swiftly followed by the audit for the 2022/23 accounts which is due to be completed shortly.
- An impact report is in circulation as an all-encompassing document to highlight the value and successes of SUBU linked to strategic KPI's.
- A Commercial Strategy has been completed with the aim of driving income and engagement for the benefit of students. Regular updates on its progress are provided to the Trustee Boards, Audit & Risk Committee.
- The completion and implementation of a Job Evaluation Project has taken place. This has allowed SUBU to manage its financial sustainability in the long term while ensuring staff benefits are in line with comparable Students Unions.
